

A BOD STUDIO PRODUCT

Bod App

The task app for creative agencies.

It handles the admin, so your team can do the work.

Come in. Let me show you around.

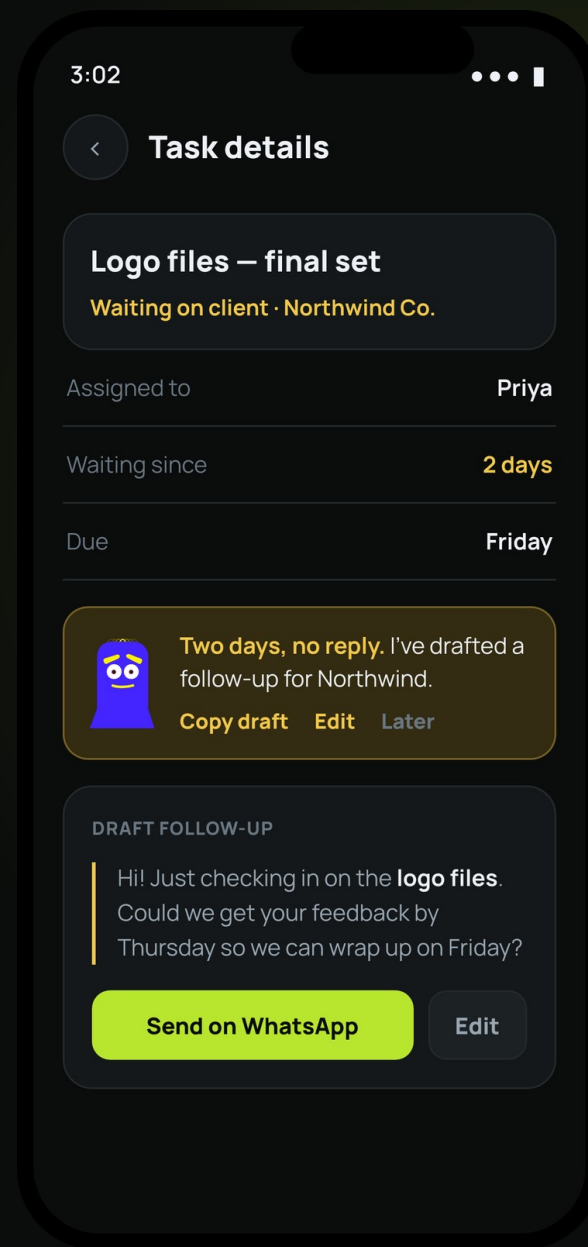

3 pm

The client's gone quiet.

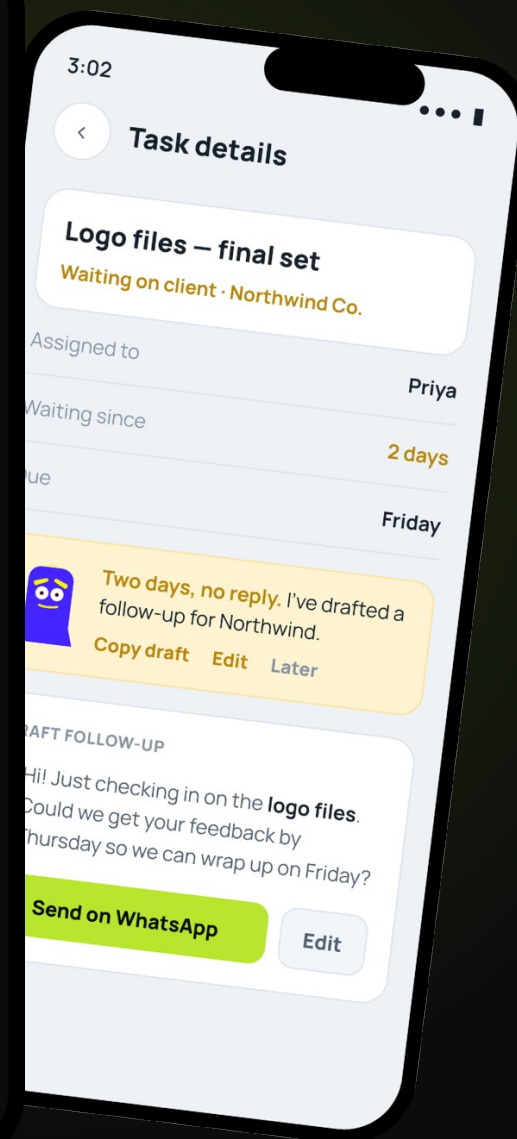

After two days of waiting, Bod App drafts the follow-up. You just send it.

Two days, no reply. I've written it for you.

HOW IT WORKS

From brief to invoice.

Every job, every time.

Every job, same path. I watch every step.

A brief comes in

USUALLY

It arrives on WhatsApp at 11 pm.

WITH BOD APP

Say it, type it or drop the PDF. It becomes a task.

Someone picks it up

USUALLY

"Who's doing this?"

WITH BOD APP

The PM approves it, and it goes to the right person.

The work happens

USUALLY

Status lives in people's heads.

WITH BOD APP

Everyone can see where each job is, and how it's going.

The client goes quiet

USUALLY

You remember three days later.

WITH BOD APP

Bod App drafts the follow-up after two.

The job is done

USUALLY

It sits there, unbilled.

WITH BOD APP

It moves to a Ready to bill list, automatically.

It gets invoiced

USUALLY

Someone digs through chats at month end.

WITH BOD APP

Finance sees the list, bills it, closes it.
